PRESIDENT'S MESSAGE

Dear Garden Club Members,

It is with a real glow of anticipation that I approach the 2010 season of The Garden Club of Shelter Island. It is a pleasure to follow our sparkling 75th Anniversary Diamond Celebration, a beautiful and happy event at the Mashomack Manor House. Kudos to the many participating committees who made this a very lovely affair and now a very special memory for all of us.

This year we will look forward to a dramatic House Tour: "Art in Bloom". In keeping with this theme I have chosen "Artistry" as our theme for this year. Artistry is defined as "Artistic ability, quality and workmanship".

In keeping with our PURPOSES, I am very enthusiastic about the sincere devotion of our members and committee chairs. I am proud to be the president of such a fine organization. We work, play and learn together as good friends with a desire to beautify and preserve our precious island.

Cordially,

A handwritten signature in cursive script that reads "Jean Brechter". The signature is written in black ink and is positioned above the printed name.

Jean Brechter

PURPOSES

The purposes of the Club are to stimulate the knowledge and love of horticulture, gardening and flower arranging; to share advantages of membership by means of educational meetings, conferences, correspondence and publications; to foster the interest and participation of children in the various phases of horticulture, gardening, and flower arranging; to promote interest in wayside plantings and home gardens; to aid in the conservation of open space; to protect and enhance the natural beauty of Shelter Island, its roadsides and shorelines; and to present educational programs for the people of the community. (By-Laws Article II and Certificate of Incorporation)

MEETINGS

Regular business meetings will again be held at St. Mary's Parish Hall, on the second Wednesday of the month, from April through November. Exceptions are noted in the Calendar of Events & Programs. Be sure to check the Calendar of Events & Programs for field trips, open meetings, workshops and special events. Remember to bring your own bag lunch to the meetings.

Members are encouraged to attend Federated Garden Club meetings, which are incorporated in our Calendar of Events & Programs. Contact a Board member for carpooling information.

The Board meets at St. Mary's Parish Hall at 9:30 on the second Wednesday of each month, from April through November. . Exceptions are noted in the Calendar of Events & Programs

CONTINUING COMMUNITY PROJECTS AND ACTIVITIES

Adopted Spaces

Our little band of roving gardeners, including Christina Cunningham, Paulette Van Vranken and Yioula Van Rynbach, have adopted some very visible spots to clean up and care for. Among these are the Ram Island causeway, the bluff at Clinton Avenue and Wade's Beach. For example, Ellen Kornrumpf joined Paulette Van Vranken to help Shelter Island school children plant grasses for erosion control at Wade's Beach with the Group for the East End (10 members)

Civic and Roadside

Jean McClintock secures the new plantings and oversees the team of "Garden Godmothers" that maintain and beautify our Island gardens. Godmothers' Gardens include: Havens House 350th Anniversary Garden, the George's IGA Corner, the Center Post Office boxes, the Heights Post Office flower boxes and tubs, the Whale's Tale Circle at Manwaring & St. Mary's Roads, the Shelter island Library Sitting Garden, the Mashomack entrance sign and Native Garden, the South Ferry Rowboat, the flower beds behind Town Hall, Wilson's Circle in the Center and the Shelter Island School Courtyard Garden.

Community Events

We contribute to and participate in many varied events each year. We create flower arrangements for charitable fund-raising events. These include the Historical Society's Heights House Tour every other year, the Gift of Life Foundation benefit and The Educational Foundation benefit. We plant trees and share an Arbor Day celebration with the Shelter Island School. We create Memorial Day wreaths for the Veterans, and we host a Garden Club Memorial Sunday at the Union Chapel as a time to honor and remember our members who have passed away during the current year. We share many of our Garden Club events with the community, such as the Plant Exchange in the spring, the upcoming Standard Flower Show and House Tour in the summer and the Holiday Workshop to close our Garden Club year in late fall. In addition, we open a select number of programs presented at our Club meetings throughout the year to the community. (60 members)

Conservation

Paulette Van Vranken, Ellen Kornrumpf and volunteers maintain the Native Plant Garden at Mashomack Preserve. Every year they help to

plant grasses at Wade's beach with Group for the East End and school kids. They also keep both club and community members and the Town Board aware and informed of environmental issues by writing newspaper articles and giving reports and by introducing wild plants, flowers and invasive species relating to conservation issues during Club meetings. (10 members)

Garden Therapy

Ann Diefendorf and IdaMarie Bottone, along with a host of volunteers, create and deliver small bouquets with "Meals on Wheels" trays and conduct flower arranging workshops at San Simeon-by-the-Sound adult care facility. (12 members)

Garden Therapy (Youth Division)

Youth Division members, cheer shut-in community residents with floral gifts that accompany the Meals-on-Wheels program. (15 members)

Herb Garden

Elizabeth Munson, Sarah Shepherd, Trina Waldron, Angela Van Rynbach and several other members, with Carmel Bodnar as mentor, maintain the charming colonial herb garden at the Shelter Island Historical Society's Havens House. (6 members)

Library Flowers

Every two weeks throughout the year, a different Garden Club member graces the Shelter Island Library with a floral arrangement with a list of plant materials on display. This program is a learning tool for the community. Valerie Levenstein recruits members to participate in this much appreciated program. (25 members).

Memorials

Every year, we donate an appropriate book to the Library for each member who has passed away. Other memorials, such as benches and trees, are placed in public places for the enjoyment of the whole community. (1 member)

Special Event: A Gaggle of Games

Summer of 2010 will see community participation in "A Gaggle of Games" afternoon of fun to raise funds for community events. Garden Club members donate their time and efforts throughout the year to provide floral pieces for a variety of community projects and fund raisers, such as the Gift of Life Foundation and the Veterans' Memorials. (8 members)

Publicity

Hilary King makes sure that Garden Club news and events are reported to all the local newspapers, radio and television stations as well as the New York Times and Long Island Newsday. (2 members)

Website

Patricia Shillingburg has provided members and the community with instant access to all of our activities and events through the establishment of a website, HYPERLINK "http://www.shelter-island/garden_club" www.shelter-island/garden_club. Flower Show or House Tour information, club meetings, events and any information of importance to our members and to the community relating to Garden Club will be found at the website. (1 member)

Youth

Youth Division meetings are held from 2:30pm to 4pm on Tuesdays at the SI School Cafeteria throughout the school year. Youth members range in age from 4 to 17 and may join at any time. The curriculum is designed to parallel the adult programs and to prepare the young members for the Adult Division of the Garden Club.

The Courtyard Garden, located behind the school cafeteria, has four teaching gardens: the Daffodil Garden (containing all 13 divisions of daffodils for use in daffodil shows); the Herb Garden, the Spring Garden and the Native Plant Garden (both these also being adapted for teaching).

Carol Russell (chair) has implemented classes in horticulture, floral design, flower arranging, education and conservation using the Courtyard Garden as her classroom. (15 members and 5 adult member volunteers)

*Bulb: potential flower buried in autumn,
never to be seen again.*
